Are there any particular cats that you are looking at or any specific criteria (ie: . age, sex, indoor / outdoor, companion cat)
Family set up - Number of adults in the home Number of children in the home Ages of children
Do you own or rent your home? OWN / RENT If you rent, do you have written landlord permission to own a pet? YES / NO
Do you have any other pets? Please list
Do you agree to vaccinated and complete routine flea and worm treatment for the lifetime of your pet? <p style="text-align: center;">YES / NO</p>
Vet treatment can be expensive, do you have a plan for paying for any treatment your cat may need in the future, I.e. insurance? <p style="text-align: center;">YES / NO</p>
Your cat may need treatment (neutering / 2nd vaccination and which is covered in your donation) at our vets in Blackfen or Dartford. Can you get to DA15 or DA1? <p style="text-align: center;">YES / NO</p>

We complete a virtual home check for all animals, please could you send some photos of the main areas of your home (lounge, garden etc) attached to this email.

All of our animals have an adoption fee which helps us to cover vet costs. This is usually £120 for an adult and £300 for a pair of kittens. This includes neutering, vaccinations, microchip, flea and worm treatment. Please note we do not home single kitten unless there is another cat in the home.
